Which

Sherwin-Williams Pure Acheson Graphite Paint

gives it more durability because the pigment is absolutely inert, and the Sherwin-Williams Linseed Oil gives the maximum of linseed oil life. Being more finely ground than other graphites, the pigment in this paint spreads more evenly.

Not Because Your Neighbor

has ELECTRIC LIGHTS should you have them.

It isn't a question of being up-to-date. Electric Lights are one of the necessities of life—you use soap and water not because your neighbor does. ELECTRIC LIGHTS are one of the luxuries of life—you have a horse and carriage, an auto perhaps, and go to the theatre, occasionally, but not because your neighbor does.

WAIKIKI REGATTA RACES VERY CLOSE AND FAST

The Waikiki regatta was a very close and fast affair. Of all those who were lined up at the beach Saturday it would be hard to find any who were disappointed. It was rather a shame that the sunburn event did not come into the program that many of the visitors missed it, but those who remained were more than satisfied. The hours of the day were carried away by Dr. A. C. Wall's boat canoe, the Hanakeoke, which wrested from the Alabama the championship title which A. M. Brown's boat has held for years.

The event of the day was the six-paddle Hawaiian canoe race for the championship of the Hawaiian Islands. Wall's Hanakeoke was the favorite and the race all the way through justified this choice. This crew took the lead at the start and was never headed. It was already around the half-way flag when the Alabama, then in second place, commenced the turn. On the way back Dr. Wall's crew gained more and more, coming in a good five lengths ahead. The real race was for second place and a tie was declared between the Alabama and the Lele Ilima crews.

The contest was as close as one could ask and the work by the after crew at the very finish enabled them to share the second prize with A. M. Brown's crack boat.

There was a great deal of interest taken in the race for five-oared girls' crews in gigs. There were two entries, the Kalaloha and an independent crew. The first named had the Manoa's victorious boat, while the independents had the familiar gig seen in so many races, of which Prince Cupid is the owner. The result of the race was in favor of the Kalaloha, though from the judges' stand it looked as if the best crew lost. The Los Angeles people will all be admitted free and local people charged but 25c.

The amateur six-paddle Hawaiian canoe event was interesting to the local people on account of the fact that almost all those paddling were well known to the crowd. Rusty Brown, in Dr. Wall's Hanakeoke, took first place away from the Virtue Villa boys who, headed by Leslie Scott, were in the Alabama, who in turn beat the Diamond Heads out of second place. The course of the latter was somewhat like a corkscrew. In the many turns and twists which were made and the Diamond Heads were about all in when they passed the line.

The surfboat contest was unusually good. Harold Huatue, Harry Steinway and James McCandless making very fine exhibitions and being loudly applauded by the audience. In the contest for surfing with canoes, the Hanapepe once more won out and captured first place without trouble. The summary:
